

R.85 & R.85SS

Classe II

Steel

Stainless Steel

AN EXCELLENT PARTNER FOR YOUR BACK AND YOUR HEALTH

Discover our range of **R.85** lifting trolley, designed to meet various professional needs, from the food industry to logistics and pharmaceutical production.

The R.85 Stainless Steel model is specially designed for demanding environments where hygiene is essential. Its IP65 rating allows for intensive, regular cleaning. The R.85 Steel model, with an IP44 rating, offers a suitable alternative for applications requiring protection against water splashes and dust.

The R.85 mini stacker is a versatile lift equipped with two lead-acid batteries, ideal for handling loads up to 85 kg. With options for mast heights, supports, and wheels, it is highly maneuverable. Its battery indicator adds to its practicality. It also adapts to various tools, thereby enhancing the productivity of your daily operations.

The R.85 is delivered with AGM batteries (24 V ; 9 Ah) as standard.
