Declaration of conformity – ESD containers

ESD Euro containers are made of high quality and conductive black polypropylene. Designed for transport and storage of sensitive electrical components. They prevent the formation of electrostatic charge. 24 months warranty.

DECLARATION OF CONFORMITY

According to Act No.22/1997 Coll., on technical requirements for products and on amendment and supplementation of certain acts, as amended by Act No.71/2000 Coll., amending Act No.22/1997 Coll., on technical requirements for products and on amendment and supplementation of certain acts and certain other acts / hereinafter referred to as the Act / and the Government Decree laying down selected products for the recognition of conformity, as amended by Government Decree No.174/1998 Coll. and Government Decree No.78/1999.

It hereby declares that the characteristics of the product:

ESD EURO containers (various sizes) meet all the requirements set out in Act No.22/1997 Coll. on Technical Requirements for Products and on Amendments and Additions to Certain Acts and in the technical regulations applicable to it and that this product is safe for its intended use.
